*“Everyone is an artist. Everyone is talented at something.
But not everyone has something to say.” - Jackson Maine, A Star is Born*

You are a Spinning® instructor, and you became one because **YOU** have something to say! This is what makes you different. You have a message for the world, and every time you clip in to the pedals and turn on your microphone, you have a chance to literally change the path of life for your students – to lift them up, to help them soar, to give them wings, to uncover their radiance. Be the STAR you were meant to be, shining brightly for others so they are inspired to become their own illuminating STARS! Ride with Luciana through both the light and the dark in a beautiful visual journey - unveil your inner brilliance!
